## Upcoming Product Enhancements

Effective June 1, 2010, Yale will be implementing several enhancements to our offering and product lines to better streamline our products.

Our catalog and pricing binders will now include information on Yale Commercial and Residential products. Therefore, our contact information will be displayed on all literature items as:

Yale Locks & Hardware  
100 Yale Avenue  
Lenoir City, TN 37771  
P: 800-438-1951  
F: 800-338-0965  
www.yalelocks.com

Product modifications effective by product line will be as follows:

### Mortise Locks:

- The YMM100 series mortise locks will be discontinued. Yale will continue to maintain the 8800 series mortise locks. Several modifications have been made to the 8800 offering.
  - ZAU, ZCR, ZMO and ZPB lever designs will be added to include optional base materials.
  - The CO, LN and CE escutcheons as well as MF rose will be removed from the offering.
  - The 722 finish will be added in conjunction with the 613 finish changes which are effective May 1.
