## DC5000 Series Cam Action Door Closer

### Corbin Russwin Introduces DC5000 Series Cam Action Door Closer

Corbin Russwin is pleased to announce the availability of DC5000 Series cam action door closer for slide arm and track applications. The ANSI/BHMA Grade 1 DC5000 series cam action door closer provides much greater efficiency than a rack and pinion track type door closer by offering lowering opening resistance and optimum closing force. The smooth and efficient operation enables doors to be easily opened while having the right amount of power to close properly. Durable design, adjustable spring power and superior strength and wear resistance make the DC5000 ideal for use in healthcare, office and education facilities.

#### Features:

- Slide track standard
- Push (DC5240) or pull side (DC5230) installation
- 110° opening range for Push Side and Pull Side installations
- Adjustable spring size 1 through 6
- Non- Handed
- UL Listed for use with Fire Rated doors
- ADA Compliant

#### How to Order

Quantity	Series/ Mounting	Finish
100	DC5230	689
