SMOK-CHEK® VI DETECTORS

Effective immediately, orders for Rixson[®] Smok-Chek[®] VI detectored (6PUSH, 6PULL) are being held until further notice. These products should be converted to another fire/life safety product. Smok Chek V (models 2600, 2601), separate ceiling detectors or wall magnets are viable options.

These changes are necessary because of new standards in technology and regulation requirements.

Orders for non-detectored product will still be processed with normal lead times. We will advise when these products become available.

We apologize for any inconvenience.

If you have additional questions, please contact Rixson technical support (866-747-9766).
