Yale lever profiles echo your design statement whether you require sleek and contemporary or dramatic vibrancy to create a unique architectural environment. Now it's possible to flow design sensibility across the entire facility, unifying all openings.

Select from 26 available levers styles in 14 finishes to complement and expand upon the message of any interior. With *Reflections*, style is uniquely defined.

inspired by nature

Inspired by the fluid lines in nature, this collection of distinctive decorative levers mirrors the sensibility of design in high-end commercial projects.

Encapsulating natural elements of form found in flowing water and landscapes, each lever in the *Reflections* series captures a unique beauty, styled with its own distinctive characteristics. Simple curves mixed with dramatic arcs provide options for every project.

let one lever design

unify all openings
across a facility

tubular

- Hotel rooms
- Apartments
- Condominiums
- Office suites

Coordinate all door hardware whether tubular, mortise, exit or access control with the selection of one decorative lever.

The *Reflections* lever collection enables design professionals to express their vision for detail across all openings.

TUBULAR – Engineered for ease of installation, the RL series tubular locks were designed to work with *Reflections*. Specify a decorative lever to marry functionality with design throughout any building or facility.

mortise

- Government
- Mixed-use facilities
- Commercial offices
- K-12, Universities

MORTISE – Let one lever design enhance the security in higher traffic areas. No need to compromise design for strength with 6800RL mortise locks.

exit devices

- Lobbies
- Retail
- Conference centers
- Egress doors

exit devices – Add a *Reflections* lever to a narrow or wide stile exit device bringing gracious totality to the entire complex – with a push bar on one side of the door, decorative lever on the other.

access control

- Corporate buildings
- Healthcare facilities
- Electronic security control

access control – Specify your lever selection to be used on an access control trim on exit devices or mortise lock openings.
